

Interim Oversight Minister for Tickhill and Stainton

The successful candidate will work creatively and collegially with two ordained colleagues in the oversight of the Mission Area to meet new challenges and nurture the whole people of God to help realise our vision to be a flourishing and generous diocese that is Renewed, Released and Rejuvenated.

The Bishop of Sheffield is seeking an experienced priest, who is gifted at listening and at helping the people of these churches to understand more clearly their history and purpose, so that they can reconnect with their calling as followers of Jesus and grow in unity as the body of Christ.

Re-engagement with settled wider communities and enabling lay ministry within the church congregations as reflected in the Diocesan vision is key after two short incumbencies. Movement into the emerging wider Mission Area is also necessary so that a Renewed, Released and Rejuvenated Diocese can be evident here, flourishing generously.

The post is subject to an enhanced DBS disclosure. Initially for three years, the post may be extended.

Closing date: 27 September 2021, 12 noon

Interview date: 20 October 2021

For an informal conversation contact: Archdeacon of Doncaster, The Venerable Javid Iqbal on 07469 850723.
