Collect for Creation Sunday

Almighty God,
You have created the heavens and the earth
and made us in your own image;
teach us to discern your hand in all your works
and your likeness in all your children;
through Jesus Christ our Lord,
who with you and the Holy Spirit,
reigns supreme over all things,
now and for ever. **Amen**

I am sure that most of us have watched more TV than usual during the last few days. I loved the service from St Giles Cathedral Edinburgh, which was so dignified. The sight of the King and his siblings standing in vigil was humbling. The building itself, although old, seemed to have a modern warm feel, with the lovely light-coloured floor and light oak furniture. I hope that our beautiful church can become as warm and welcoming in the not too distant future. We must support all the initiatives in place to raise the money needed.

Warm and Welcoming Heating Initiative

The Warm and Welcoming initiative seeks to raise £100,000 to upgrade the church's heating system as the necessary first part of our vision for a reordered church, fit for collective and private worship and a community resource. Details are set out on the notice board at the back of the church.

As part of the fundraising effort, Soup Lunches will be served in the Parish Room on two Fridays in October, the 7th and 21st. A choice of home-made soups and bread, and something sweet to follow, with tea or coffee, all for £5.00. Do note the dates in your diary.

Other events for your diary, with more details to follow:

Saturday, 12th November : An Evening with Gilbert and Sullivan

Friday 25th November: Sponsored Silence in the Parish Room
