Hello Everyone

This week we have finally been able to sent the programme for Mothers' Union meetings this year to be printed. Thank you to John Hosker who is doing this for us this year.

We have been organising speakers and this as many of you will appreciate is not always straight forward, however we have been fortunate to have 2 speakers volunteer their services, a third when asked was delighted to come to us and the fourth we await confirmation.

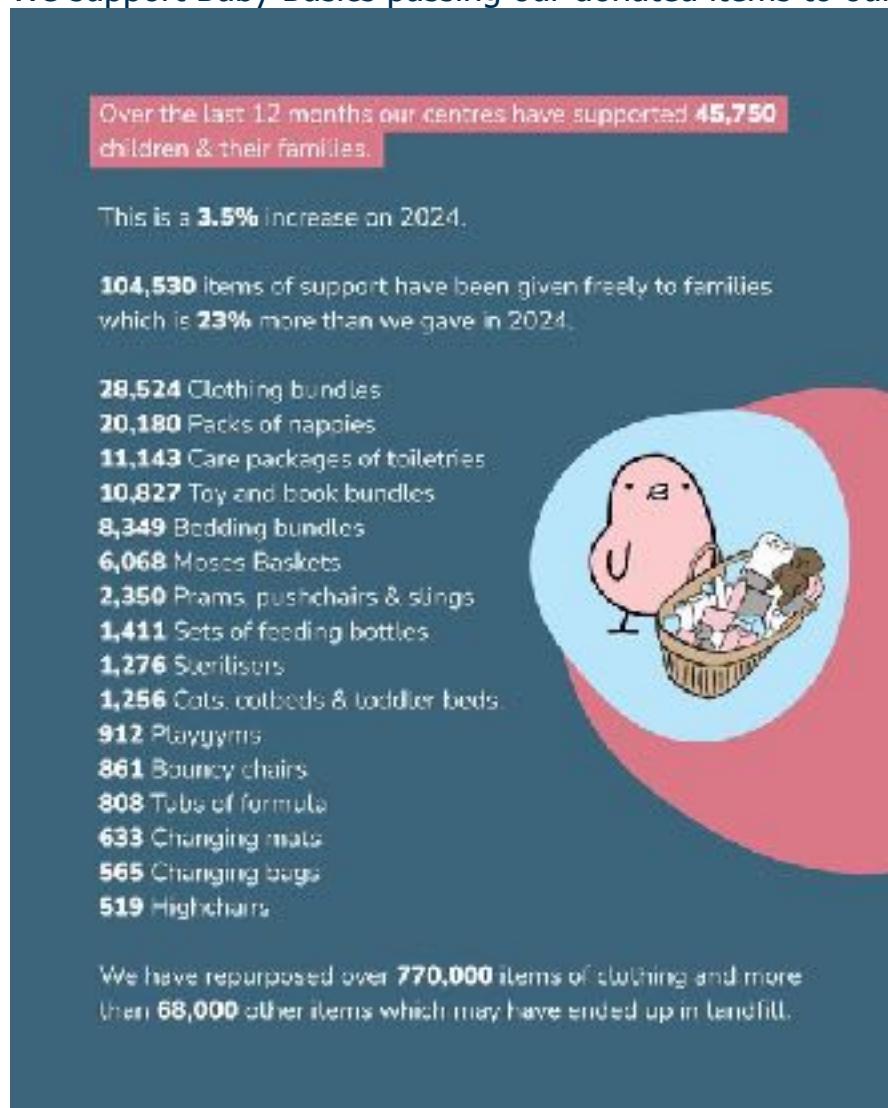

One speaker is our Mothers' Union Diocesan President, Jo-Anne van Levesley . I have spoken at length to her and she is delighted to be asked to speak to us. Unfortunately for us Jo-Anne can't come on a Tuesday as she has work commitments but suggested Thursday 14th May . We hope that this will suit the majority of us and I know that it will certainly be worth changing our meeting day for once so that we can have Jo-Anne speak to us.

As this is the 150th Anniversary of the foundation of Mothers' Union there are many events planned. We have incorporated one into our June meeting and this year after the Mary Sumner day Service in Sheffield Cathedral in August there will be a Diocesan Picnic on the lawn outside The Cathedral.

The following information about baby basics makes interesting and encouraging reading.

We support Baby Basics passing our donated items to our contact in Tickhill.

Greetings from me from Spain, where the weather is starting to settle down after wind and rain has caused flooding in some areas in the last weeks. The dreadful train crash with such a lot of loss of life is not something we expect these days. Spain declared 3 days of mourning for the victims.

The rest of the world continues to flounder and I can't imagine what the citizens of Greenland are thinking at the moment. On a lighter note this picture made me smile.

**Denmark is ready!**

God of our journey, thank You for being with us - in growth and waiting, in joy and challenge. As we look ahead, help us to trust, to wonder and to walk forward in gratitude. Amen.

Love to everyone from Helen on behalf of the committee
