Hello Everyone

On a light hearted note the photograph below was taken by Margaret at the MU Trustees lunch last week. They had a Mothers' Union related quiz and followed a

sing song of "New York New York" Hats and accessories provided by Jo-Anne . It was good to see Tanis looking so much better, however, since then she has relapsed and is back in hospital. Our thoughts and prayers are with her and Peter.

Our trustees do such an amazing job keeping the Sheffield Diocese MU running so well. Thank you to all the Trustees for everything you do for us all.

In Tiickhill, on Tuesday, the meeting was well attended by 20 people, which was excellent. Everyone was pleased to see Chris and the talk by Allen was very interesting. The 3 women he spoke about were all wealthy Americans who had married into the British aristocracy. The first must have been very close to Allens heart as she used her huge wealth to establish what must have been the beginning of the Physiotherapy service. As many of you know Allen was a Physiotherapist who taught at Sheffield Hallam University. He taught my niece and she speaks of Allen frequently. He was big influence in her life and many many other of his former students. This American lady, had realised that soldiers returning from WW1 with dreadful injuries, needed rehabilitation not just patching up and provided the money and accommodation to enable this to happen, physiotherapy in its infancy.

The world's weather continues to make the news. Today snow and ice are forecast for areas of the UK north of The Wash. Here in Spain we have had the hottest day we have ever experienced in February, but with another storm forecast for Portugal and Southern Andalucia. There is still dreadful flooding in much of southern Andalucia and the Airport runway in Gibraltar is completely flooding. We have seen some of the pictures of flooded areas just east of Tickhill on the Bawtry / Gainsborough road and hope that this does not get any worse.

Lord Jesus, in this groaning world, help us to set our eyes on You and seek to join with our fellow Mothers' Union members as hands across the world in service to you. Amen.

Love to everyone from Helen on behalf of the committee
