Hello Everyone

We must be psychic! Having decided last week to feature "Games we used to play" at our next meeting, there has been a huge amount of publicity about just this subject, saying that the toxic consequences of social media on children, can be as bad as smoking. Its not just children that this affects. Many adults have no life

outside their addiction to their phones/ computers and this situation is so sad for them. Anything we can do to inspire children ..or adults, to play, take part in sport, read or have "crafting" hobby would be progress. I suspect that our grandparents would be horrified to know about all of this situation. Progress is not always good!

If anyone has any equipment they don't want, which children could use for constructive play please bring it along to the next meeting and we will decide what to send where after the meeting.

This ladybird spinning top is on sale for less than £3 ! A bargain considering the price of electronic devices.

Next Friday is the Mothers' Union Coffee Morning in Sheffield Cathedral and this is to be hosted by our DASH Deanery. It is always a lovely occasion and lifts will be available for anyone who would like to go. Please

let us know so that we can arrange pickups.

The big cycle ride from York to London ...part of the 150th Anniversary celebrations, began on Tuesday, with the 2 cyclists arriving in London on Wednesday 10th June at St Paul's Cathedral. They have the provincial Prayer Capsule with them. I hope that they have managed in this weeks heat.

Monday is the 1st of June. This usually herald the start of better weather here in the UK, but this year everything is happening earlier. Roses are in full bloom and many flowers which would traditionally be still in bloom now have finished for the season.

June however is a call for celebration for one member ...Happy Birthday Joan Nathan on the 19th. We hope that you have a lovely day.

Father, watch over children and young people in all they do. Keep them safe, kind and wise. Surround families and caregivers with your peace and fun homes with love and hope for the days ahead.

Loving God, be near to parents and carers. Give them strength for busy days, wisdom for hard moments and peace in their homes. Provided where there is need and let love and joy shape daily life. Amen.

Love to everyone from Helen on behalf of the committee
